Measure, Appointment or HB4153  
Topic:

Allowing 5,000-10,000-square-foot event centers to be built on EFU land is wrong. We need successful farmers; without them, we do not eat. In Hood River County, development pressure is extreme in both the County and the City of Hood River. This bill supports developers, not food production; it is wrong. Please do not pass this bill.

Thank you for listening to my Concerns.
