HB4145

HB4145 has lacked transparency by not being available before its first reading on the House floor and to provide ample time for public testimony prior to the public meeting.

HB4145 is not about saving lives. HB4145 is all about removing Oregonian's right to self-defense.

If this Bill were about saving lives (suicide prevention), meaning mental health aid prior to suicidal incidents, would be the action. Even the state's own task force does not recommend gun control as measures to prevent suicide.

HB4145 installs a registry of gun owners that can be misused or breached, which is a direct violation of federal law.

This Bill seeks to manipulate the judicial system by requiring all legal challenges to be completed through Marion Circuit Court. This means the law is so wrong that the authors know it will not survive legal challenges outside of their home court.

HB4145 increases fees (\$65-\$150, +130%) and delays (30-60 days, +100%), with no recourse by Oregonians when the schedule is not met and must be restarted.

- The delays with the training requirement means it takes 3-4 months for an Oregonian to exercise their 2nd amendment rights.
- This increase in fees and delays mean that some Oregonians cannot afford to execute their constitutional rights to self-defense.

This is no longer a 'Shall' issue permit with the clause that it may be denied based on a subjective ruling, without adjudication, by the issuing authority.

It is time to Stop the outrages Tyranny on the Legal/Law-abiding Citizens of Oregon!!
