HB4145

Hi I am writing in opposition of HB 4145.

I Will begin by saying our state leaders are not listening and yoy are being the very government you keep complaining about. You talk about democracy but run an authoritarian state.

I will say first I am opposed because you are trying to circumvent the supreme court and are not even waiting to hear their ruling on 114 before you try creating another unconstitutional law that will waste more money in court.

Second, quit making law abiding citizens criminals. Especially when this state doesn't even enforce any of the current laws.

These laws do NOTHING to prevent crime as you are always stating. Get back to reality and be honest. These measures are only to control people so you can promote your socialist/communist style leadership in Oregon.

JUST STOP WITH THE NONSENSE.

Take citizens rights away and fully support noncitizens. Just shows your hypocrisy and lack of being truthful and transparent.

Lastly, as Ed Deihl has stated. Its not an emergency, quit using this clause to be dictators over the state. You need to serve, not rule. Remember.... No Kings!
