HB4134

Chair Nathanson and members of the House Committee on Revenue,

Please support HB 4134 with the -1 amendment to increase the state lodging tax by 1.25% and help the recovery of Oregon's most vulnerable fish, wildlife and habitats.

Securing long-term dedicated funding for fish and wildlife habitat protection is strongly supported by a majority of Oregonians. The funding would also support local communities and businesses that rely on tourism dollars. Investing in these resources now will continue to generate more economic opportunities for Oregon's communities in the future.

Thank you for supporting HB 4134.
