Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

To Oregon lawmakers,

You have the chance to enact a bill that will secure long-term funding for our valuable Oregon wildlife. This bill will reduce conflicts and enable coexistence. Also, it will help prevent illegal poaching.

Our wildlife is a major reason why Oregon is such a special place to live. We have an opportunity to benefit both wildlife and the human communities with this bill. Please vote YES for the 1.25% for Wildlife bill.
