

Submitter:

Jane Wille

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

This is a common sense, excellent way to support so much of what is important, not only to Oregonians but to those who come to Oregon to share in our delights and splendors. It is little enough for a large return on a most positive investment. No more dithering about and reinventing the wheel; let's just do the right thing the right way the first time. Please. Thank you.
