

Submitter:

James Duncan

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I'm an Oregon resident. I voted for Measure 114 and wanted it implemented immediately. Very frustrating house bill 4145 must be passed this session. I'm a Vietnam veteran. I feel strongly that the ban on large capacity magazines and closing the Charleston loop hole and the permit to purchase requirement should be in effect now.
