HB4145

I am a resident of Portland who voted in favor of Measure 114 and believe it is well past time to implement the safety provisions of this measure. Delays due to judicial proceedings have been frustrating. We need to reduce gun violence, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now.

HB 4145 will make the implementation of those steps more efficient and effective. They should be in place once the Court rules.

Please help pass HB 4145 THIS session.
