

Submitter:	Scott Dale
On Behalf Of:	Self and descendants.
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4145

I very much oppose this Bill on the grounds that it is unconstitutional and not what my ancestors intended when they fought in every war this country has been in to afford me those rights, twice working to earn their very freedom. This bill must not only be opposed it must be resoundingly defeated!

Scott Dale
