SB1517

Thank you for reading and considering my testimony.

I would like to urge you to oppose SB 1517. This bill is only a partial fix to a larger problem with recreational liability in our state. This bill really only addresses the ski resort industry and mainly the resort operator, not the multitude of other organizations that run events at those resorts.

I would like you to please consider supporting SB 1593, being sponsored by Senator Mark Meek, Senator Janeen Sollman, and Senator Dick Anderson. This bill is very much in line with liability laws in other western states and address not only skiing but also other recreational activities.

Thanx again,
Rob Smoot
