I am an Oregon resident who voted for Measure 114. I wanted it implemented immediately, and the delay due to the Courts has been frustrating. We need to reduce gun violence, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now.

On a personal note, my husband is a high school choir director. He deserves to go to work and teach his students, not to wonder whether someone will bring a gun into the school. HB 4145 MUST pass this session to drastically reduce the chances of a horrific scenario like that.
