I am so beyond over all of these new bills that you all are trying to impose on us Oregonians! I don't think you understand how tough it is for us to live here with everything being so high already. To add in a sales tax is insane. If you take away property tax or income tax, maybe we could get on board but I know you won't do that. Maybe you could stop mismanaging the money you've already taken and fix the problem on your own. We will NOT support this bill and I'm speaking for my family of 4. We will not be taxed to death!
