HB4145

I am strongly opposed to HB4145. The primary reason other than taking our right to bear arms is it requires the Sherriff departments to manage the paperwork. This is a burden on already understaffed offices. Our Sherriff and deputies should be out in the community preventing crime and protecting our citizens from criminals. They should be investigating crimes that have actually happened and making sure tjose criminals that are harming others are caught, processed and punished for crimes committed. Not doing paperwork for government taking.
