HB4145

HB 114 is still in the courts and we should wait until the courts rule, this is clearly a Democratic end around HB114 because they see the writing on the wall. the sheer numbers of people who oppose this bill should give you pause as it should it should have done in the gas tax bill when the Democrats refused to listen to the people of Oregon . If this bill moves forward it is sure to invite legal action in a quick fashion that will cost the state of oregon many millions of dollars for a bill the People of Oregon do not want or agree with! Other people have said it much better than I have here, I will say it simply, Look at those who oppose this bill the numbers tell the story. Also Nothing in this bill is an EMERGENCY! Democrats have been abusing that for years to take away Referendum options from voters for years! Tell us What constitutes an EMERGENCY. You represent all the voters, respect that please!
