As a former high school employee I know how stressful it is even for high school kids to practice for an active shooter; I can't imagine how younger children cope. Let's not have an Uvalde school shooting mishap in Oregon!

"I am an Oregon resident who volunteered to gather signatures and voted for Measure 114. I wanted it implemented immediately, and the delay due to the Courts has been frustrating. We need to reduce gun violence, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now.

HB 4145 will make the implementation of those steps more efficient and effective. They should be in place once the Court rules.
