Measure, Appointment or Topic: HB4153

Dear House Committee,

I am in support of HB 4153. Supporting HB 4153 is essential for fostering agricultural innovation and economic growth within our communities. By allowing counties to approve farm stores as a non-farm use on land zoned for farm use, this legislation empowers local farmers to expand their operations, diversify their offerings, and connect directly with consumers. Embracing farm stores can invigorate rural economies, promote fresh, locally sourced products, and ultimately strengthen the relationship between producers and consumers.

Sincerely,  
Mark Grossen
