

Submitter: Lisa Done

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4153

My family has been enjoying this farm and many others in Oregon for decades now. We look forward to it every year and we visit multiple times throughout their seasons. We love the community it has created and it would be absolutely devastating to our community and to the state to no longer have access to all of the wonderful farms throughout Oregon. Please consider generations past and future and keep these farms working as they have been giving access to the public. Thank you.
