Measure, Appointment or Topic: SB1507

I oppose any form of taxes. Until Oregon government has an audit of all departments from an out of state firm with no ties to anyone in government positions. Where are all our taxes going? You're short on revenue yet we are getting a kicker credit?  $1+1=2$  should equal two but it doesn't. You hate anything Trump, so much so you won't even wait and see if his financial ideas will increase economic growth. Take a chill pill! So far any you all have done hasn't worked. We are losing big name corporations because of YOUR TAX POLICIES! Enough is enough! The citizens have already proven we can and will put out initiatives successfully for any tax crap you throw at us!
