HB4145

In this Bill you haven't addressed the Criminal faction. Why on earth would Criminals obey HB4145? This bill will basically tie the hands of Legal/Law-abiding citizens to protect themselves and protect their families while the criminals run amok. Basically Criminals are giving YOU the middle finger as they continue down the road breaking the law. Where is the bill to increase Prison time for Criminals who use a Firearm? I strongly OPPOSE 4145!
