HB4145

I am a lifelong Oregonian, testifying in support of HB 4145 because I am committed to reducing all forms of gun violence in our state. Oregonians passed Measure 114 in 2022, and we should not have to wait any longer for these life-saving changes to be implemented. HB 4145 provides clear and much needed guidance for effective implementation. I ask you all to support this important legislation.
