NO NEW TAXES!!! NO FEE INCREASES!!!

Figure out where the money is going that Oregon does receive already! **BUDGET!!!**
Stop playing with the federal government rules and orders and then you wouldn't be
scrambling to locate money! Oregon has a spending problem! You politicians haven't
made anything better for anyone except yourselves! We cannot afford to pay more
taxes and to still be able to pay our bills and feed our families! Pass this bill and see
how fast pissed off Oregonians like me start a referendum and gather signatures
again!!! Enough is enough! Leave our paychecks alone and stop driving out
generational Oregonian families that just want to live in peace!
