HB4145

Oregon Government has tried to pass poorly written bills on the sly rather than spend time addressing problems. It is clear the people who support this method of government do not have the public's interests but rather their own. Shameful.

HB4145 is not about saving lives. HB4145 is all about removing Oregonian's right to self-defense.

If HB4145 were about saving lives, suicide prevention, meaning mental health aid prior to suicidal incidents, would be the action. Even the state's own taskforce does not recommend gun control as measures to prevent suicide.

HB4145 increases fees (\$65-\$150, +130%) and delays (30-60 days,+100%), with no recourse by Oregonians when the schedule is not met and must be restarted.

The delays with the training requirement means it takes 3-4months for an Oregonian to exercise their 2nd amendment rights.

This increase in fees and delays mean that some Oregonians cannot afford to execute their constitutional rights to self-defense.

This is no longer a 'Shall' issue permit with the clause that it may be denied based on a subjective ruling, without adjudication, by the issuing authority.

HB4145 installs a registry of gun owners that can be misused or breached, which is a direct violation of federal law.

HB4145 seeks to manipulate the judicial system by requiring all legal challenges to be completed through Marion Circuit Court. This means the law is so wrong that the authors know it will not survive legal challenges outside of their home court.
