HB 4145

I am writing to express my strong support for HB 4145 which would require more extensive provisions to obtain a permit to purchase a gun. I am a mom of two elementary school children who is concerned everyday for the safety of my kids. My main reason for supporting this bill is due to the impact of gun violence I see everyday in this country. I want to live in a country that is safe from gun violence and the first step is having more comprehensive requirements to own a firearm. I used to live in Dallas Texas and one of the reasons I have chosen to live in Oregon is because of more extensive laws & legislation regarding firearms. I hope that you support HB 4145 which is an exciting step in the right direction to keep our children safe. Thank you.
