On Behalf Of:
Committee: Senate Committee On Health Care
Measure, Appointment or Topic: SB1570

ICE agents are coming to Oregon hospitals, wandering the halls, and entering private exam rooms, despite doctors and nurses asserting privacy mandates that they leave. This is completely unacceptable. More and more people, documented and undocumented, are delaying care for themselves and their families because they fear encountering ICE.

We need statewide direction that puts hospitals to the task of reinforcing privacy boundaries and high clinical standards. Thank you for taking up this matter with expediency.
