HB4134

To whom it may concern -- I am a constituent in Ashland, OR, 97520 and I support HB 4134. It is incredibly important that we throw our power into the ring and back the protection of wildlife in this state. Advancing Oregon's Wildlife Action Plan is something we all should be able to support. In today's day and age, where habitat is facing massive destruction, it is our responsibility to stand up for those who cannot voice the importance of their home. This is a time to practice empathy -- something we all could benefit from. Support HB 4134, take a stand and show the world your humanity and your ability to care. Thank you for your time.
