Enough people have been killed, families have suffered lose. As I write those words, it pains me. "Enough", as if there should have been any deaths'. I am an Oregon resident who voted for Measure 114. I wanted it implemented immediately, and the delay due to the Courts has been frustrating. We need to reduce gun violence, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now.

HB 4145 will make the implementation of those steps more efficient and effective. They should be in place once the Court rules.

HB 4145 MUST pass this session!
