Measure, Appointment or HB4153
Topic:

I support hb 4153 and I encourage all of you too as well. Support our local farms that's the real oregon. My family loves going to the pumpkin patch every year taking a hay ride getting apple doughnuts and getting to see different farm animals. I also have folks I grew up with that with that survive on their farm stands. These same farm stands that give them an income because all us local folks put here buy from them somewhere we trust what we are getting mutch more than the super market. Please dont take that from us. I really urge you to vote yes on hb 4153.

Sincerely, Mr. BROWN
