

Submitter: Gretchen Rude

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4088

Chair Kropf, Vice-Chair Chotzen, Vice-Chair Wallan and members of the House Judiciary Committee,

My name is Gretchen Rude. I live in Portland, Oregon. I'm writing in strong support for HB

4088.

With increasing attacks from the federal administration on reproductive rights and LGBTQ+ health care, patients are concerned for the continuity of their care and health

care professionals are fearful for their safety. This bill is critical in safeguarding patient

privacy, protecting medical providers from mounting criminalization threats, and ensuring that all Oregonians can receive the health care they need without fear or discrimination. The increasing number of threats in the last few years makes the need

for this bill urgent. Oregonians cannot afford to wait. In Oregon, this care remains legal

and providers should be able to deliver it without fear of federal intimidation or retaliation.

As a provider, this is important to me because someone's personal health information, body, and decisions should be protected and their own.

I urge you to vote YES on HB 4088 to protect patients, providers, and privacy in Oregon. Thank you for your time, service, and commitment to the people of Oregon.
