HB 4145 and MS 114 are Unconstitutional

How is a Permit to Purchase, required to exercise a Second Amendment right, be constitutional? What other right, expressed in the Bill of Rights, requires a Permit to exercise??? NONE!

A magazine limit of 10 rounds is arbitrary, at best. A limit of 10 rounds will NOT reduce crime. Look at New Jersey.

Now let's discuss HB 4145 specifics. How can a waiver for ex-law enforcement persons for the Permit to Purchase and the magazine ban be constitutional, also? The Oregon Constitution does not allow exemptions for law application between groups of citizens.

If the magazine ban becomes law, there is no mention of compensation for seizure of "now illegal" magazines.

Lastly, how can MS 114 go into effect by March 15th when there is no mechanism set up for its implementation?
