Measure, Appointment or Topic:

HB4145

I am a resident of Eugene, Oregon. I helped circulate petitions and enthusiastically voted for the common sense of Measure 114. I wanted it implemented immediately, and the delay due to the Courts has been beyond frustrating. Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now. HB 4145 will make the implementation of those steps more efficient and effective. They should be in place once the Court rules.

I urge you to support HB 4145 this session, and to encourage your colleagues to do so as well. All of us have waited long enough.
