Resources, and Water

Measure, Appointment or Topic: HB4153

HB 4153 is unfair to rural residential landowners. We have a reasonable expectation that adjoining Exclusive Farm Use zoned land will be used for farming, not for retail stores, commercial kitchens, restaurants, concerts, amusement parks, zoos, and entertainment venues. We expect and accept the necessary noise and inconvenience that comes with being part of a farming community. But rural residential landowners – and our farming neighbors – should not be forced to deal with non-farm uses that belong in commercial and manufacturing zones. Please kill this bill.
