Measure, Appointment or Topic: HB4145

"I am an Oregon resident who voted for Measure 114. The delay in implementing this Measure with court cases, largely due to entities from outside the state is a denial of our state's citizen right. Reducing gun violence should be a priority for all of us, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now.

HB 4145 will make the implementation of those steps more efficient and effective. They should be in place once the Court rules.
HB 4145 MUST pass this session."

Thanks for your attention,
Dr Steven and Jean Carltpm
