House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4153

Small business farm stores and farms that offer experiences for the community are such a unique and wonderful thing about Oregon! My family has had so many memories of picking pumpkins and produce at the farms, going to small concerts and events and petting zoos at the farms. This connects people to their source of food and gives a wonderful sense of community. I support this bill. I support our small business farms of Oregon!
