

Submitter:

Glenn Pennebaker

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I, Glenn Pennebaker of Turner, Oregon, OPPOSE HB4145. It does not save lives. I little common sense and a lot more transparency in our state legislature would go a long way to instill respect and trust in our decision makers. Stop trying to control law abiding citizens and start trying to control criminals.
