Measure, Appointment or
Topic: SB1524

My name is Aubrey Raney-Avers and I am asking you to vote no on SB 1524 which uses funds from the Oregon Lottery to create continuing financial support of horse racing. The Oregon Racing Commission already receives nearly eight million dollars in state funds at a time when our state's needs are largely underfunded. The lottery funds that are asking to be allocated to horse racing need to be going elsewhere in a time where we are unable to adequately fund our roads or our schools, as well as many other essential services. Please vote no, and thank you for hearing my testimony.
