On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB4134

As an Oregon resident, I urge you to support HB4134 (1.25%). This will help to conserve Oregon's most vulnerable wildlife which is one of our greatest assets!

Oregon's wildlife attracts tourism, encourages outdoor recreation, and supports our quality of life. This bill provides practical, proven solutions that reduce wildlife/human conflicts and promotes coexistence, benefitting both our communities and our wildlife.

Thank you for your time!
