HB4145

"I am an Oregon resident who personally worked long hours, campaigned and voted for Measure 114. Stood in the rain; talked with Oregonians; heard their concerns. I want Measure 114 implemented immediately, and the delay due to the Courts has been frustrating. We need to reduce gun violence. Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now in order to make Oregon safer.

HB 4145 will make the implementation of those steps more efficient and effective. They should be in place once the Court rules.

HB 4145 MUST pass this session."

Thank you on behalf of all of Oregon. RFK
