Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB4153

My name is Kaylie Stickney and I live in Sandy, OR and I'm a parent and customer who enjoys visiting local farms with my family.

Going to pumpkin patches and farm events is something we look forward to every year. I have been going to small family farms every year for the pumpkin patch season and every summer to pick berries. I'm a new mom and looking forward to sharing these traditions with my child but the only way I get to do that is if these local farms are protected. Farms need options to diversify their income in order to survive. I am writing to say that I support HB 4153 and ask that you do the same. This bill helps protect family farms and the agritourism experiences our communities value.

Thank you for your time and consideration.

Sincerely,

Kaylie Stickney
