

Submitter:

Brigid Kruger

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

It is unfair to change the Oregon kicker that was previously voted on and approved, If the state is not able to balance the budget cuts need to be made, you don't punish Oregon citizens by taking or reducing the kicker previously promised .

I believe changes need to be made at state level to correct the issues that created this problem, I'm ready to vote for the change
