Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I oppose HB 4145. Bills like this do nothing to protect the public. Criminals will not abide by this bill anyway. It's just a punishment to people who follow the laws. Also, for the legislature to give only 24 hours notice for the hearing on this bill is just the democrat legislators deceiving their constituents.

Please Oppose HB 4145
