Measure, Appointment or Topic: HB4153

You want to shut down my community's major fresh food source because of this measure? Really? NO!!!! - You do not - and that is why you and I will oppose this. Do not pass store only food sales when the farmer can sell directly to me. I prefer freshness and fewer hands touching my food. Please vote against this bill. In my community, it is a blow to our food supply. Stores can still be stores.
