Topic:

Federal law supersedes state law. The last time democrats disagreed and would not comply with federal law a civil war was fought. This bill will further entrench Oregon's sanctuary status. Not assisting federal law enforcement and not turning over criminal illegal aliens with warrants does not make Oregon cities safer. In fact, it makes them less safe (but you already know that.) Do not further antagonize the federal government. I urge you to oppose this law.

The sanctuary cities are not going to have funding soon. That's Trump's plan.
