

Submitter: Paige Anderson

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4145

I am a mom, wife, neighbor, RN and concerned citizen. Please support HB 4145. Voters passed measure 114 in 2022 and we are STILL waiting for our government to enact this measure. HB 4145 provides much needed guidance on how to implement these life saving policies. Thank you for keeping our communities safer.
