I strongly oppose HB 4153. I am a frequent visitor to farm stands of all sizes, and I consider it prejudiced and wrong to consider barring smaller farmers (including mom & pop operations) from being able to share their produce with the community in this way. It would have a negative economic impact as well, as besides Oregonians, many tourists (especially on the coast and in the Willamette Valley) patronize these farmsteads.

Please vote against this resolution. Thank you,
