Measure, Appointment or Topic: HB4134

To Members of the House Committee on Revenue,  
I am writing in support of HB 4134 for a a 1.25% increase in the state's lodging tax to help support a variety of projects and programs. I am quite aware of the need for additional support for wildlife as they like us experience the increasing effects of climate disruption, development pressures, poaching and pollution. With the many uncertainties attending federal government support for the preservation wildlife and their habitats, it's especially important for the State of Oregon to step in by establishing dedicated state funding to fill the gap. I strongly urge you to support this bill and put into action the concern that the majority of your constituents share for the welfare of wildlife in our state.

Sincerely,  
Ken Bonetti
