

Submitter:

Gabriel Wihtol

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1570

I support the limitation of federal agent access in health care facilities. patient care areas can only be accessed by legal warrant. Federal agent intimidation has made it scary for immigrant populations to seek care. I know this because they have told me so when they are in the hospital. We must protect our patients from harm and pass SB 1570.
