

Submitter:

Zach Byrd

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I urge the legislators of this state to vote no on this measure. Not only does it violate both the national and state constitutions, but is also nothing but a feel good measure. This bill will not make anyone safer, and will only impede law abiding citizens, making it harder to exercise their second amendment rights or protect themselves.
