HB4134

Members of the House Committee on Revenue,

I ask you to cast your vote to advance HB 4134. This proposal will increase the state's lodging tax by 1.25% in order to provide dedicated, sustained funding for our state agencies to protect Oregon's wildlife. From salmon to bighorn sheep, pronghorns to elk, Oregon's rich outdoor environs draw people to visit and live in this state. Hunters, photographers, hikers, boaters and campers flock to Oregon to adventure in our outdoors. The economic impact, ensured by our state agencies, is immense. Your advance and eventual passage of this bill will help ensure the continuation of Oregon's outdoor adventures for generations to come.

Thanks,

Tim Brandy
