Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

A permit to purchase a firearm is one of the best ways to prevent firearm suicide. We know that putting space between a person and a gun when they are suicidal can save a life.

Every gun sold should have a completed background check. HB 4145 would close the loophole that allows gun sales before a background check is completed if it takes longer than 3 days. We need to keep our communities safe.
