Committee:

House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or
Topic:

HB4153

As a resident of Columbia County, a teacher, and parent- I fully support agrotourism. Farms are a source of joy - while also providing an educational experience for children. Capping off our understanding of the pumpkin life cycle to a pumpkin patch is a highlight for students and families. Reading and learning about something is elevated when you can see it in person.
